

Full manufacture & repair service for all manner of waterproof & protective coverings & equipment. Specially hand made to order bespoke items.

MAIN SAIL MEASUREMENT GUIDE

All Under Cover C.I sail covers are hand made to order specifically for you. Simply follow the guide below and Under Cover will provide an exact quotation for your approval. All covers are made from breathable top quality acrylic canvas to a colour of your choice.

- A - Circumference of mast
- B - Circumference at the headboard
- C - Height from top of sail to the bottom of the boom
- D - Aft end of sail around to forward centre line of mast
- E - Circumference at 1/4 of 'D' measurement
- F - Circumference at 1/2 of 'D' measurement
- G - Circumference at largest point of clew patch
